Background
- 2019 was the third year for the Administration & Finance Customer Satisfaction Survey
- 20 different services across 8 administrative areas were included in the survey
- The survey included 10 to 12 standard scaled (1-5) rating questions and up to 3 open-ended questions
- 45,073 faculty, staff, and students were invited to give feedback. Of this total, 5% were faculty, 5% were staff, and 90% were students
- 8,736 (19.4%) responded to the survey
- Each survey invitee could select which services they wanted to evaluate
- Some services were pre-selected for faculty, staff, or students as they only use certain services that were relevant to them
- The survey was available to take from March 5 to March 29, 2019
- N/As and blank responses did not count in calculations for mean scores
